Profile

Motivated and passionate Frontend Developer with a strong interest in creating modern, responsive, and user-friendly websites. I am continually improving my web development skills and building practical projects with HTML, CSS, and JavaScript.

Education

Karachi Public School, Karachi

APR 2013 — PRESENT

Currently completing my O Levels, while developing my skills in web development, programming, and technology.

Projects

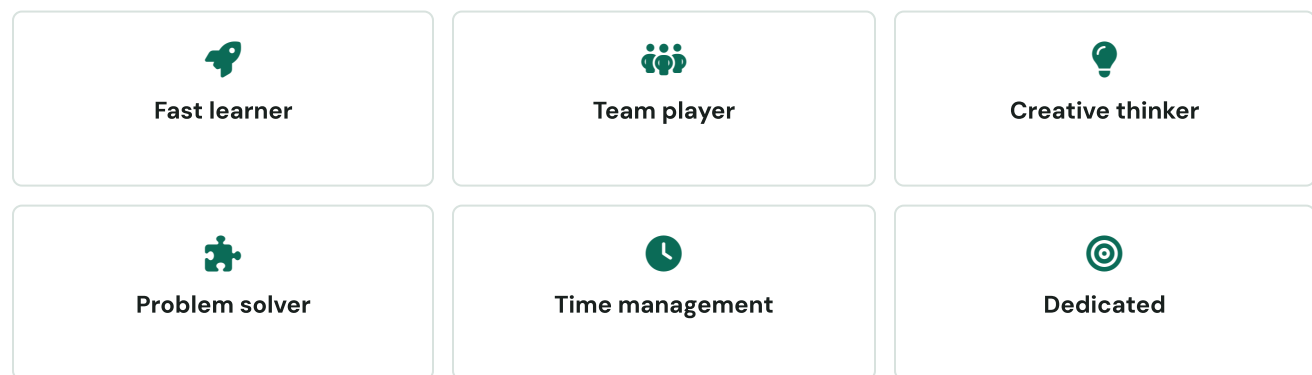

Personal Portfolio Website

Designed and developed a responsive personal portfolio using HTML, CSS, and JavaScript.

Web Development Practice Projects

- Independence Day Project
- Student Management System
- Calculator

Strengths

Career Objective

To begin my career as a Frontend Developer where I can apply my knowledge of HTML, CSS, and JavaScript while continuously learning modern web technologies and contributing to professional projects.
